

### Hanging Batten Assembly Set

WBD18C1	Double Barrels wired lighting batten, 18m, custom made type 1
WBS18C1	Single Barrel wired lighting batten, 18m, custom made type 1
SBD18	Double Scenery Bar, 18m
SBS18	Single Scenery Bar, 18m
SBSA07	Boom Arm, 700mm

#### WIRED HANGING BATTEN

The Medley Hanging System provides a wide range of choices for theatre hanging applications. Different compositions of aluminum barrel, wired lighting batten and high tensile aluminum bar clamps to fit most requirements of the theatre industry. The extruded aluminum barrels and battens give the largest flexibility of length for different size of venues. Clear and sharp numbering of lighting channels on both sides of batten enables easy identification at a distance.

#### Double Barrel Wired Lighting Batten (WBD)

SWL	200-500Kg (Refer to table 1)
Material	High tensile aluminum and 4mm thk steel junction plates
Finish	Anodized black & black epoxy-polyester powder paint
Barrels	2 X Dia 48.3 extruded aluminum
Wired Batten	100x50 extruded aluminum, hinged back cover
Ends	Rubber bumper, red
Sockets	13A/15A BS sockets/IDOP-1/CEE socket...per custom requirement

#### Single Barrel Wired Lighting Batten (WBS)

SWL	100-250Kg (Refer to table 1)
Material	High tensile aluminum and 4mm thk steel junction plates
Finish	Anodized black & black epoxy-polyester powder paint
Barrels	1 X Dia 48.3 extruded aluminum
Wired Batten	100x50 extruded aluminum, hinged back cover
Ends	Rubber bumper, red
Sockets	13A/15A BS sockets/IDOP-1/CEE socket...per custom requirement

#### Double Scenery Bars (SBD)

SWL	150Kg (Refer to table 1)
Material	High tensile aluminum and 4mm thk steel junction plates
Finish	Anodized black & black epoxy-polyester powder paint
Barrels	2 X Dia 48.3 extruded aluminum
Ends	Rubber bumper, red

#### Single Scenery Bars (SBS)

SWL	100Kg (depends on setting)
Material	High tensile aluminum
Finish	Anodized black
Barrels	1 X Dia 48.3 extruded aluminum
Ends	Rubber bumper, red

#### Boom Arm (SBS-A07)

SWL	35Kg
Material	High tensile aluminum and 4mm thk steel junction plates
Finish	Anodized black & black epoxy-polyester powder paint
Barrels	1 X Dia 48.3 extruded aluminum
Installation	Wall mounting with 4xM10 screws (no included)
