## Shopping Mall

Lighting fixtures at L4 Atrium.

Over 50 Fresnel and Profile spotlights were installed.

On-site lighting control by the lighting console.

12m x 10m Truss Roof with Marquees supporting by 4 sets of 200kg Lighting Towers installed at L8 Rooftop Garden.

### One-stop retail, lifestyle and entertainment

Located at the vibrant nexus of Yau Tong, the Domain, a shopping centre developed by the Hong Kong Housing Authority, is designed as an integrated retail, lifestyle and entertainment venue for all generations, with pleasant hues and tasteful tints imparting joyful vibrancy and the excitement of discovery, to echo the natural environments. Lively colours highlight the various theme elements, with structural zones to add variety and dimension, including the naturally-adorned Atrium, Signature wall and Rooftop garden.

### Scope of work

Macostar is responsible for the design, supply & installation of stage light, motorised rigging, AV and stage platform system at level 4, Atrium, and the mobile stage lighting, AV and truss roof system at level 8 Rooftop Garden.
